Subject: Completed: TRW Microwave files for Records and website

Michael:

Completed.

Added 100023681 to the GWM report. See link. <https://cumulis.epa.gov/supercpad/SiteProfiles/index.cfm?fuseaction=second.scs&id=0901181&doc=Y&colid=40415®ion=09&type=SC>

The AR needs to be requested. Normally, it is done by the records center staff. Do you have a due date and a list of what you want as part of the AR file ?

Hi Elaine, checking in on below. Can you also add SEMS doc 100023681 to the GWM website folder?

Subject: TRW Microwave files for Records and website

Hi Elaine,

Can you add the three documents to the TRW Microwave website:

1. 2021 GWM Report: [Groundwater Monitoring \(24 documents\)](#)
2. SSD Inspection Plan: [Vapor Intrusion \(15 documents\)](#)
3. Email: [Vapor Intrusion \(15 documents\)](#)

There are no Administrative Records posted to the website, can these be posted? I believe they are already coded in SEMS.

No rush. Thank you!
Michael
